MONTHLY NEWSLETTER

PLAYBALL

On May 17, 2009 at 6:00pm the Hinsdale Dream Team started their season with a remarkable turnout. Thanks to her hard work and determination, Michele Calderwoods' vision came to life. The Hinsdale Parents Partnerships group also wish to thank the Family Council and the Macdonald family for ensuring uniforms would be available for the team. A great cheer must go out to Steve Gasset and Todd Calderwood, for giving their time to coach and to ensure that there was equipment for the season, and of course all the players.

The Hinsdale Dream Team is modeled after Jason's Dream Team of Keene. Jason's son, Brandon threw out the first pitch of the season. We also welcomed many members and friends of the Fish family who came to the opener. (The Fish Family is pictured above center). Mentors, buddies and coaches were courtesy of Hinsdale High School who donated their time to come and be a buddy and support the players, who we hope will continue to come and support the fun and safety of the games, which continue every Sunday evening at 6pm at the Hinsdale Elementary School. It was a wonderful opening day for all.

IN OTHER NEWS: The Hinsdale dream team has also received support from the following sponsors Dicks Sporting Goods of Keene, WYRY, WKVT, T-Bird of Hinsdale and the Hinsdale Rec dept we would also like to thank Mantis Graphics for their help with the team shirts and R&J Sports for their fast response in getting the hats done
